Groups and companies pack · 2026–2027 season, 5 December 2026 to 4 April 2027 · Beni Mellal airport

PACMA (Parachute Air Club du Maroc) is a **club approved by the French Parachuting Federation (FFP)**, founded in 2000 and based at Beni Mellal airport since 2003, at the foot of the Middle Atlas. It welcomes groups all winter, from 5 December 2026 to 4 April 2027, every day from 8:30 am to 6 pm.

Who is it for?

- **Stag and hen dos:** the jump as the highlight of the weekend, video for the guest of honour, a gift voucher for the surprise.
- **Companies:** team building, seminars and incentives; a few volunteers jump, the whole team cheers them in to land.
- **Students and universities:** tandem, AFF first jump or the 7-jump AFF course at the group rate, for student unions, sports clubs and university skydiving clubs.
- **Friends and families:** birthdays and group outings; friends and family are welcome by the runway.

Requirements for each jumper

- Tandem: **90 kg maximum** dressed, no experience needed.
- A medical certificate confirming no contraindication; without one, a check is possible on site with the club doctor (200 MAD).

- Minimum age and parental consent for minors: see the 'Tandem skydive' page on the website.

- An alcohol-free night before: only passengers in top form board the plane.
